

Personalize Your Brick on the Walk of Pride

With the purchase of an etched brick or tile you can be a part of a permanent, inspirational walkway for students, faculty and visitors forever.

Individual or family bricks can be purchased for a message of encouragement, tribute, or recognition of achievement, in honor or memory of a loved one, a special teacher, or administrator. Alumni can purchase a brick to show their loyalty and continued support for their school. Businesses can show community support with a permanent advertisement.

There is also be a special area on the walkways at Randall and Canyon High Schools dedicated to honor our military personnel. What better way to show your support and encouragement than with a message that will last for generations to come? *Leave a lasting impression!*
